# 3 Product Improvement

---

Dezhou Huili Water Tank Co., Ltd.

# Product improvement

<https://www.hltankchina.com/>

01

Rubber strip

Improvement	Ordinary black → <b>food grade white</b>
Aim	Healthy

# Product improvement

<https://www.hltankchina.com/>

02

Cushion ring

Improvement	Electric galvanizing → <b>stainless steel</b>
Aim	Better anti-corrosion

# Product improvement

<https://www.hltankchina.com/>

03

Panel

Improvement	Four angle welding and polishing —> <b>Integral forming</b>
Aim	High strength and beautiful appearance

# Product improvement

<https://www.hltankchina.com/>

04

U-steel base

Improvement	Surface process: Red paint —→ <b>Optional black paint, hot galvanizing, red paint</b>
	Connection way: Electric welding —→ <b>Optional bolt, electric welding</b>
Aim	Better anti-corrsion, easier intallation

# Product improvement

<https://www.hltankchina.com/>

05

Water level meter

Improvement	Ordinary plastic → Optional paint buoy level meter, magnetic level gauge, ordinary plastic
Aim	Meet different requirement

# Product improvement

<https://www.hltankchina.com/>

06

Package solution

Improvement	Ordinary naked —→ <b>Optional plywood, iron frame, naked package</b>
Aim	Maximize customer benefits; save costs, protect goods

# 4 Company Capacity

---

Dezhou Huili Water Tank Co., Ltd.

# Company capability

<https://www.hltankchina.com/>

*Production capability: 200 pieces per day.*

*Customer visits times: more than 60 times.*

*Superlative services: 2 years follow-up service.*

# Certificates
