Dezhou Huili Water Tank Co., Ltd.

# SS welding water tank introduction

<https://www.hltankchina.com/>

**Raw material:** SS304 / SS316 / SS316L

**Panel size:** 1x1m, 1x0.5m, 0.5x0.5m

**Panel thickness:** 2mm- 5mm

**Process technique:** ramming craft

**Connection type:** argon arc welding

**Foundation:** Concrete foundation and U-steel bottom base

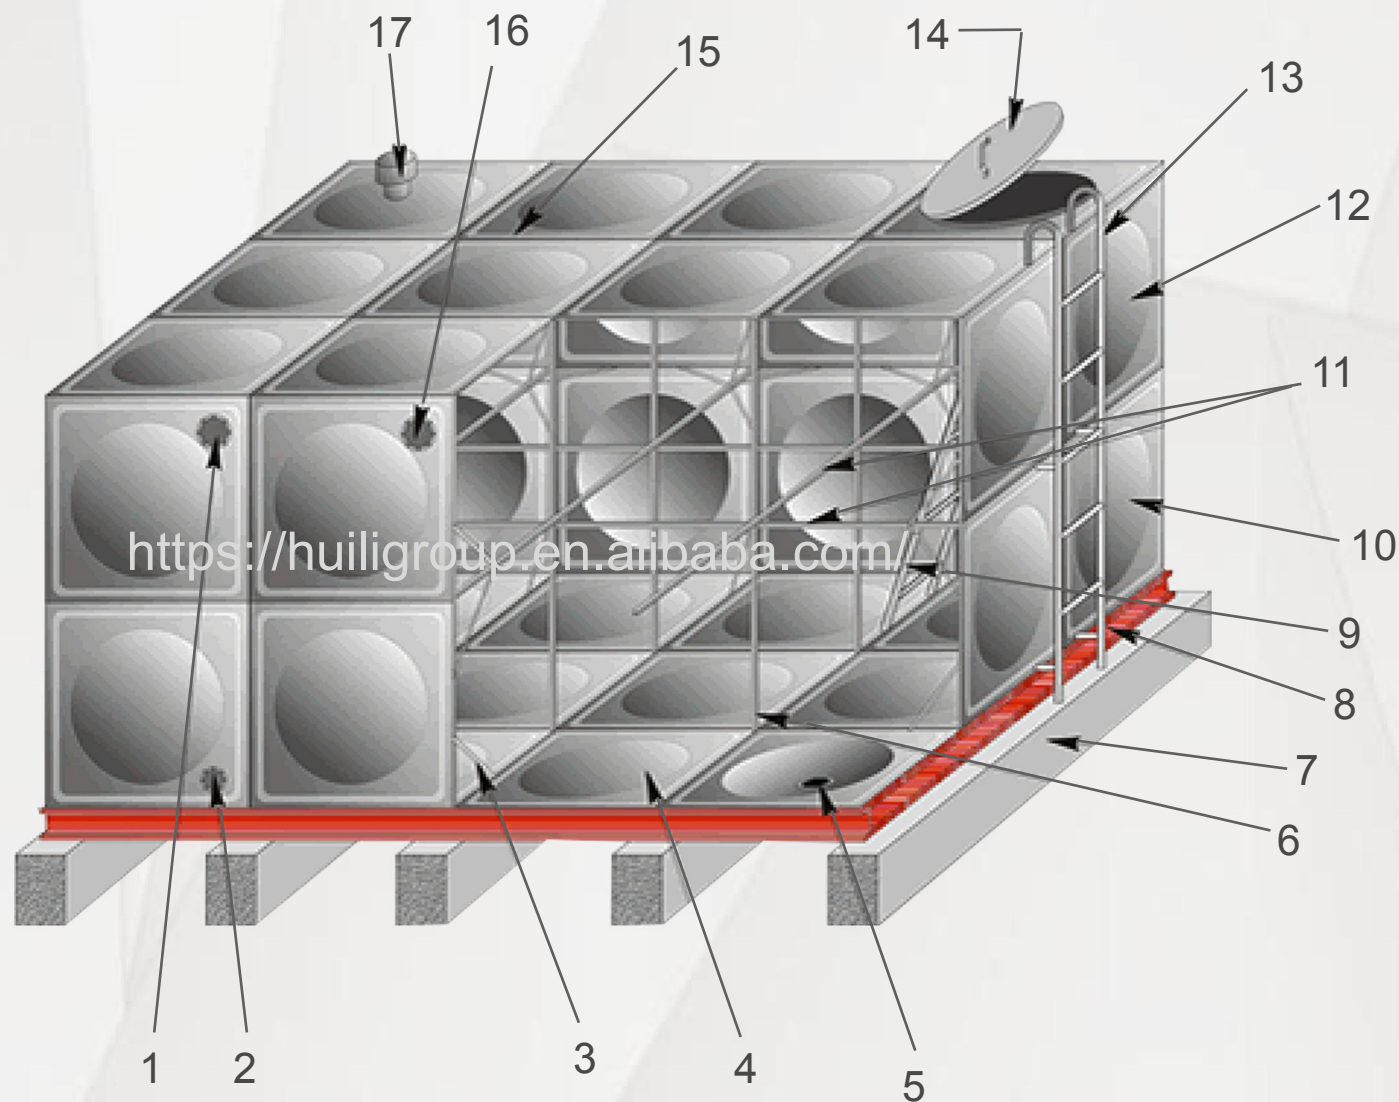

**Accessories:** tie rods support rods, flanges, ladders, manhole; U-steel, water gauge;

**Application:** Various industries, civil water supply, HVAC, firefighting, food, beverage, vintage, water treatment, medicine, petroleum, chemical and so on.

# Structure Analysis

<https://www.hltankchina.com/>

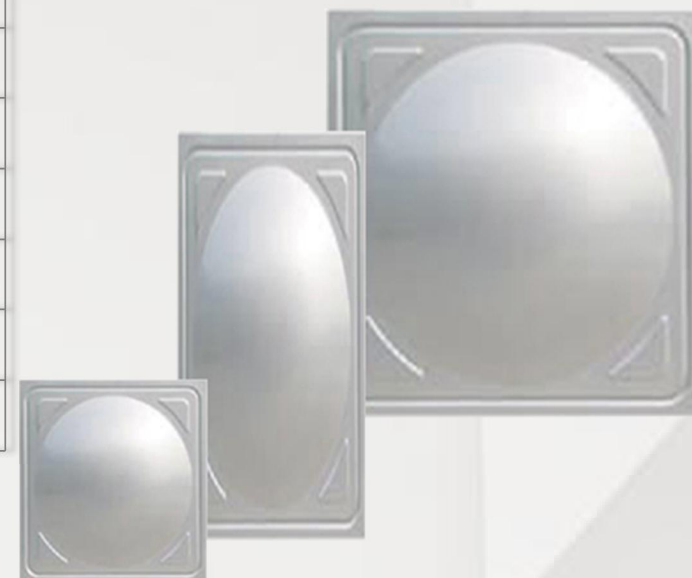

1. Overflow	10. 1st layer panel
2. Outlet	11. Lacing bar
3. Short bracket bar	12. 2nd layer panel
4. Bottom panel	13. Outer ladder
5. Drain	14. Manhole
6. Support rods	15. Top panel
7. Concrete column	16. Inlet
8. C-channel base	17. Airvent
9. Inner ladder	

# Specification parameter

<https://www.hltankchina.com/>

Tank Height (mm)	Thickness of each panel (mm)						
	bottom panel	1st layer side panel	2nd layer side panel	3rd layer side panel	4th layer side panel	5th layer side panel	cover panel
1000	2.5	1.5	/	/	/	/	1.5
1500	2.5	1.5	1.5	/	/	/	1.5
2000	2.5	2	1.5	/	/	/	1.5
2500	3	2.5	2	1.5	/	/	1.5
3000	3	2.5	2	1.5	/	/	1.5
3500	3	3	2.5	2	1.5	/	1.5
4000	4	3	2.5	2	1.5	/	1.5
5000	4	3	3	2.5	2	1.5	1.5

# 3 Product Improvement

---

Dezhou Huili Water Tank Co., Ltd.

# Product improvement

<https://www.hltankchina.com/>

01

U-steel base

Improvement	Surface process: Red paint —→ <b>Optional black paint, hot galvanizing, red paint</b>
	Connection way: Electric welding —→ <b>Optional bolt, electric welding</b>
Aim	Better anti-corrsion, easier intallation

# Product improvement

<https://www.hltankchina.com/>

02

Water level meter

Improvement	Ordinary plastic → <b>Optional buoy level meter, magnetic level gauge, ordinary plastic</b>
Aim	Meet different requirement

# Product improvement

<https://www.hltankchina.com/>

03

Package solution

Improvement	Ordinary naked → <b>Optional plywood, iron frame</b>
Aim	Maximize customer benefits; protect goods

# 4 Company Capacity

---

Dezhou Huili Water Tank Co., Ltd.

# Company capability

<https://huiligroup.en.alibaba.com/>

*Production capability: 100 pieces per day.*

*Customer visits times: more than 60 times.*

*Superlative services: 2 years follow-up service.*

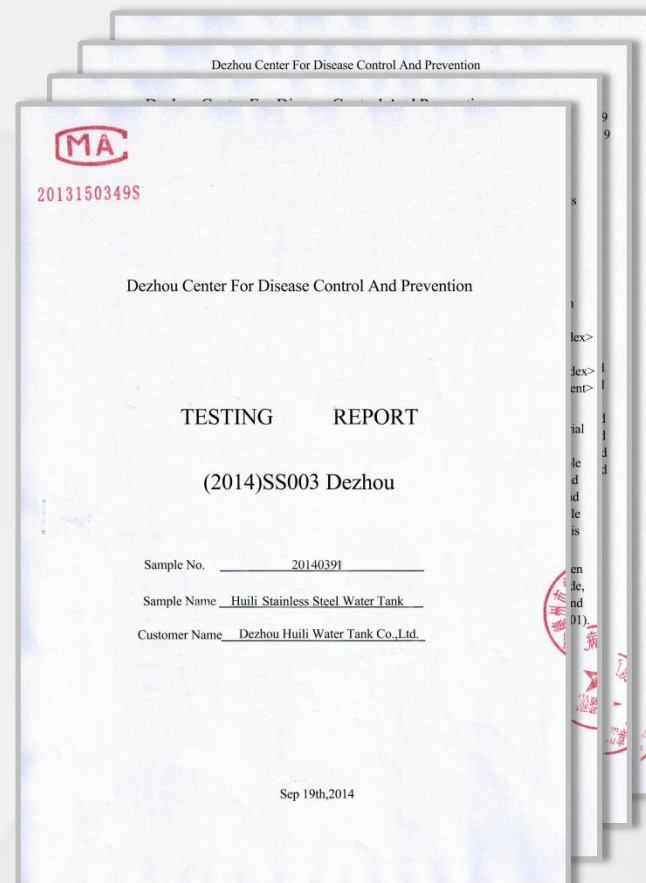

# Certificates

<https://www.hltankchina.com/>

ISO certificate

Food grade certificate

Three in One

Business license  
tax registration certificate  
organization code certificate
